Seniors

The Class of 1987 unified their souls and spirits, and showed Kalani that indeed they are a 'class of a new generation.' Their wide range of abilities and talents was clearly visible in academics, athelitics, art, music, dance, and leadership. The dedication of the class created many memorable moments for them. The highlights of the year were the Senior Luau, class week, and an end of the year blast. The prom, which was held on May 9th at the Hale Koa, was an experience that they'll remember forever! Throughout the past four years at Kalani, they went through many ups and downs, but they have grown tremendously from the experience, which was shown in their leadership this past year. Ever since their close win in class spirit points during their freshmen year, everyone knew there was something special about this class. They have continued to project their power and deterimination, not only as individuals, but as a group. During homecoming and pep rallies, nearly everyone participated in the activities and showed their pride in the cheers. They were truly the 'heartbeat of Kalani.'

SOPHOMORES

In their second year of High School, the class of 1989, led by President Sandra Oda, Vice President Daphne Chung, Treasurer Michelle Tam Sing, and Secretary Lisa Oba, had a very successful year. Homecoming week for the Sophomores was a very busy one. Everyone worked their hardest on the banner, float, and the skit, All that work paid off resulting in first place for the float competition and second place over all.

Class week was a lot of fun which led them to the end of their year with the Freshman-Sophomore banquet, It was held at the Moana Surfrider on Febuary 27, 1987. Many people attended which made the Freshman-Sophomore banquet a great success.

Brian,
Hope you had fun at Kalani this year and I hope you have fun next year too. I hope to see you next year. It was fun knowing you. Have a great summer!

Kalani welcomed the class of 1990 this school year. The freshman have done a good job adapting to high school life. How do we know this? The freshman did great when they participated in the homecoming festivities. They also had a class week filled with games, prizes, and loads of fun. The big event that most looked forward to was the freshman/sophomore banquet. The freshman class has made an excellent addition to Kalani's student body.

GERALD SUYAMA

Aloha to all seniors who are leaving us after four successful years at Kalani. Aloha also to Mr. Harold Chang, Mr. William Lee, Mr. Hiram Say, Mr. Clarence Scofield, and Mrs. Misayo Togawa, who have all left Kalani after many years of dedicated service.

It is that time for the year when we all must evaulate what we have done and recommit or refocus our energies into our chosen direction.

Aloha and Best Wishes,

The Parent-Teacher-Student Organization, with better communication as its primary goal again this year, issued mechanical pencils to the teachers first day of school, conducted a successful Open House with subsequent Parent Information Evenings scheduled. We issued three newsletters to date, commanded the attendance office with a volunteer parent each day, helped with the school rules committee and the Critical Thinking Project. We also solicited support for campus beautification.

Immediate goals are to sponsor the Close-Up Program again this year, form an Alumni Association, conduct a fundraiser for computers in the administration (which will directly affet attentance), help implement the Learning Center, and continre efforts at campus beautification. Legislative lobbying for a psychologist in particular, and for inprovements generally, is planned.

We succeeded in gaining students on the Board for PTSO this year, and strove to interest teachers in our concerns. We feel school spirit, a vital issue has been improved, as has general overall attitude in the school. Our goal, outlined in the Accreditation Report, while being partially met, are still before us to make Kalani, a good school, even better.

The Spirited Seven

The cheerleading squad consisting of Jihee Kim, Debra Sumida, Sally Vergara Francis Ching, and Gaby Quirk, Desi Morrow, and Rita Kona, did a fantastic job this year by creating new cheers for Kalani High School Assemblies. The two bits cheer, which has probably been around since Kalani first opened. The new cheers were called Freeze, Fankinstein, and a few more. Thank you cheerleaders for entertaining the Kalani students throughout the 1987 school year.

More Than Just Another Season

The Varsity Football team, headed by first year coach Gordon Miyashiro, endured through a rough season. The team was made up of less than fifty players with eleven seniors. The Falcons started the season with Kailua, Kaimuki, Farrington and Pearl City that were rated in the top ten, plus their usual regular games against McKinley 13-10. The Falcon had talent but a lack of experience as the team was made of seven freshmen, twenty-five sophomores, six juniors, and eleven seniors. In several games the Falcons came close to Kaiser 14-7, Farrington 10-6 but in the final minutes only to have victory slip out of their grip. The leaders of the team were co-captain Kurt Johnson, co-captain David Na'o and captain Nick Fineanganofo. The bright spot on the team was defensive lineman, tight-end Nick Fineanganofo. Nick made the Advertiser first team and made second team All-State-Team. Because there was no J.V. team this year, Coach Miyashiro and his assistants Jon Kapele, Jarrett, Tyrone, Henry, Ken, Paul, Burton, are trying to set up a J.V. program.

Striving For Perfection

The boy's varsity team had a phenomenal year, finishing the season with the best record Kalani has seen in thirteen years. The boy's team won the Kaiser Invitational, Honolulu District, Eastern Division, O.I.A. Championship, and took 2nd place in the state. The girl's varsity also had a good season. Led by team captain Sherrie Tamura, the girls just beat out Kaiser, taking 15th place in the state meet on Maui.

WET AND WILD

From a national standpoint, water polo is not a very popular sport. Most of the action occurs in California, where the top collegiate teams reside and compete. In Hawaii there are high school competitors, but the main focus is in the ILH. Kalani, however, put together a team for the third consecutive year. Even though it was only a club sport, its members played hard and had fun!!! Powered by aggressiveness determination, and a desire to get drowned, the water polo team splashed their way to domination and success. Led by their incredibly beautiful and sexy coach, Linda Aki, Kalani pushed its way past Iolani and Hawaii Kai while equalling the drive (that's a pun!) of Kamehameha. Roosevelt proved to be too much for the team to handle, and swept past our defense with speed and knowledge. Despite a lack of experience, Kalani was able to show great potential for future seasons.

SWIMMERS DO IT WETTER

Despite a dwindling number of participants, Kalani's swim team used its quality and spirit to finish amongst the dominating teams in all the meets. Coaches Linda, Dorothy, and Jinny Aki tortured the swimmers with long, grueling workouts in the morning as well as afterschool. However the team learned that hard work and determination pay off, as the boys won the junior varsity championships and the rest of the team went on to do well in the remaining meets.

TEAM B-ball... that was the theory which this years' girls varsity team used to stay at the top. With expolsive energy, endless talent, and a go-getter team attitude, the team play was surely filled with vivacious vibrations. At the time when this article was submitted, the season was not over, but it was evident that the 1987 track team was bound for glory. Despite the team's small size, we had quality runners with diverse talents, and in track, as with other sports, it is quality which counts, not quantity. It was the job of head coach 'Squeeze' Kamanaa and assistant coaches Sam Moku, David Parr and Daniel Miesenzahl to put all the talent together.

Assembly

This spirited group planned a number of entertaining assemblies throughout the year. The football pep-rallies along with homecoming week brought the school alive with a lot of class competition games and spirit challenges. Recognition assemblies gave the outstanding achievers the recognition they deserved. Once again the assembly committee worked well to put together a fun school year.

alani Association of Students is an organization which consists of students from all alks of life. The purpose of this Association is to help create a school atmosphere where arning and growing is number 1. This year the organization was headed by three anches of power which were the Executive, the House of Representatives, and the anding Committees. United together a 'voice' was formed to create harmonious ties ot only within our school system, but also with our neighboring schools and mmunity. Ongoing communication is what we strived for throughout this school year. e believed that through a clear communication system, precious time, energy and fort would never be wasted. . Kalani's Pride

The Kalani Falcon Marching Band, boasting 125 members, had a very busy season. Under the direction of Wilfred Kusaka, the band sacrificed their time on wednesdays and sundays during the summer to diligently practice their routines. Led by drum major Scott Goto and drum majorette Tammie Omoto, the band participated in the Aloha week and Kintetsu Parades. During the school year, the band spent many hours after school perfecting their routines for the Rainbow Festival and OIA Competition. The band provided music for assembleys and commencement exercises. They also played for Basketball and football games, and put on a marching show for the Homecoming Game. Toward the end of the year, the band split into the Wind Ensemble 1, consisting of Juniors and Seniors, and the Wind Ensemble 2, consisting of Freshmen and Sophomores, for the purpose of performing classical music onstage. There was also the stage band, a group created to perform jazzy repertoires. Each received a chance to display their talents in the Winter and Aloha concerts and in the Parade of Bands.

Next, during Christmas, the Club went caroling around Aina Haina to raise money for Hale Kipa, a youth shelter for runaways. During the year, the members also took part in a Mardi Gras in March, inviting other German and French Clubs from different schools. They ended their year with a banquet of French cuisine.

The '86 - '87 year was one of the best ever for the Kalani German Club. Embarking on a hike in Manoa Valley to start off the year, the members became close friends, having endured the difficulties encountered together. Advised by Mrs. Kashiwa, the members sharpened their math skills for monthly meets held at different schools throughout the year. The team's hard work paid off though as Kalani usually placed amongst the top 10 of all the high schools in the state.

'Why is Biyanka Ekmecioglu wearing a BOY'S warsity t-shirt?' saks Xavier Szebrat.

To help Kalani students be aware of the latest news, a group of dedicated students worked hard after school to put out the bi-monthly school paper, the Falcon Press. Friends

It's so nice to see familiar faces out in the crowd,
And it's so nice to see friends of mine
Enjoying themselves,
And everybody get happy 'cause we can work it out.

We are friends,
Friends, friends,
We are friends,
Friends, friends.

And I remember when I was down and out you came,
And I remember when you said,
"Friend, what's your name?"
Getting off on each other,
We can work it out.

We are friends,
Friends, friends,
We are friends,
Friends, friends.

Feelings are getting strong,
You feel like you belong,
And closeness you can feel,
And smiles that are real,
We are friends.

If you feel like singing with us,
Sing out loud.
It would make you feel good just to sing right out
And being a part of it all, 'cause we can work it out.

We are friends,
Friends, friends,
We are friends,
Friends, friends.

Hiya Brian,

So how was your school year. Hope it was as fun as mine was. I really enjoyed coming here and meeting all these new people like you and everyone else. I might not come back to Kalani because I want to go back to my old school which is Mid-Pac. I really miss everyone there and they are just like my family. But I found out this year that Kalani is a family over here. Most of my friends over here. Hope you have the best years in Kalani a head. I'm glad I have one more year left of high school and i'm going to make the best of it. Wish I guess!

Kristi Vasika

As the 1986-1987 school year comes to a close, I look back at how this years theme 'Lets go all the way' really affects the attitudes of the students at Kalani. The yearbook staff chose this theme because they felt it would help to inspire students to do or be the best they can in whatever they chose.

Without the yearbook staff, this book could never have existed. Thank-you especially to the section heads Amy Spangler, Michelle Messner, Angie Schmeiser, Heidi Locher, Christer Fredrickson, Katie Fujiwara, and Ricci Scott. The staff along with myself are very appreciative of our advisor, Mrs. Heen. She was the backbone, holding our staff together especially during deadlines. The yearbook staff put a lot of time and dedication into the yearbook. We all hope you like it.

I would like to send out a special thank-you to Reggie Yee and Ace Studio. They often worked very long, hard hours to have our quality pictures back to us on time. Without Scott Goto's outstanding artistic talents, which he donated to the yearbook, we would not have division pages or a cover. I would also like to show my appreciation for the time that Denny Schwartz donated to yearbook during lunch and after school hours. Last but not least, I would like to thank Patti Sullivan and Herff Jones Publishing Company. Patti did an excellent job of keeping us informed of what needed to be done as well as guide us through hectic deadlines. Thank you all!

1987 Hoomana'o O Kakou was published by and for the students of Kalani High School and printed by Herff Jones Publishing Company in Logan, Utah, on 80 pound bordeaux paper. The cover was designed by Scott Goto and produced in computer grapics by Studio M in California.
